Subject: URGENT!!!! Rosemont Final EIS has NOT been filed with EPA

Folks -

I did not receive any response to my email last Friday, noting that the Rosemont Final EIS had NOT been filed with EPA.

As of today, it has still NOT been filed.

In order for the Final EIS to be included in the EPA Notice of Availability (NOA) that will be published on Friday, Dec. 13, the Final EIS should have been filed by COB last Friday.

We are preparing the NOA at this very moment. If the Final EIS is not filed today, it will NOT be in EPA's Notice of Availability this Friday.

Please let us know what your plans are so we can make any necessary adjustments to what we send to the Federal Register.

Thanks,

Cliff
